

# PROGRAM OUTLINE

ANZICS/ACCCN  
Intensive Care ASM  
**11-13 October 2017**  
Gold Coast Convention  
and Exhibition Centre  
Queensland

## WEDNESDAY 11 OCTOBER 2017

08.30 - 12.00	Workshop 1	Workshop 2	Workshop 3	Workshop 4	Workshop 5	Workshop 6
08.30 - 10.00	<b>ECHO Simulation</b>	<b>Allied Health</b>	<b>Simulation</b>	<b>Organ Donation Conversation</b>	<b>Paediatrics</b>	<b>Intensive Care Foundation Workshop: Vascular Access</b>
10.00 - 10.30	Workshop Morning Tea					
10.30 - 12.00	<b>ECHO Simulation</b>	<b>Allied Health</b>	<b>Simulation</b>	<b>Organ Donation Conversation</b>	<b>Paediatrics</b>	<b>Intensive Care Foundation Workshop: Vascular Access</b>
12.00 - 13.00	Workshop Lunch and Industry Exhibition					
<b>13.00 - 15.00 Opening Ceremony and Plenary Session 1</b>						
13.00 - 13.05	Welcome to Country					
13.05 - 13.10	President, ACCCN – <b>Diane Chamberlain</b>					
13.10 - 13.15	President, ANZICS – <b>Marc Ziegenfuss</b>					
13.15 - 14.00	<b>Oh Sh**! They're Bombing our Hospital! The New Paradigm of Today's War</b> <b>Dr. Kathleen Thomas</b>					
14.00 - 14.30	<b>Thinking Differently About Improving Recovery after Critical Illness</b> <b>Prof. Leanne Aitken</b>					
14.30 - 15.00	<b>Why Everything we Know is Wrong</b> <b>Prof. John Ioannidis</b>					
15.00 - 15.30	Afternoon Tea and Industry Exhibition, Poster Viewing, Interactive Zone					
<b>15.30 - 17.30</b>	<b>Concurrent Session 1</b>	<b>Concurrent Session 2</b>	<b>Concurrent Session 3</b>	<b>Concurrent Session 4</b>	<b>Concurrent Session 5</b>	
	<b>Paediatric</b>	<b>Facts or Fiction – What Should I Know and what Should I Believe</b>	<b>Free Papers</b>	<b>Microbiology</b>	<b>Free Papers</b>	
	<b>Paediatric Cardiac Surgical ICU in the Next 10 Years</b> Dr. Sarah Tabbutt	<b>First we had Culture and Spirituality</b> Dr. David Cook		<b>Working in a Resource Poor Highly Contagious Environment</b> Dr. John Gerrard		
	<b>Paediatric Ventilation in the Next 10 Years</b> A/Prof. Andreas Schibler	<b>Does What I Think I Know Matter Anymore?</b> A/Prof. Peter Kruger		<b>Polishing the Tarnished Silver Bullet – The Quest for New Antibiotics</b> Dr. Steve McGloughlin		
	<b>Family Involvement in the Next 10 Years</b> Dr. Lyvonne Tume	<b>Speaker TBA</b>		<b>The ICU ID Interface</b> Dr. Steve McLoughlin		
	<b>Infection and Sepsis in the Next 10 Years</b> A/Prof. Luregn Schlapbach	<b>How Could Routinely Collected Health Data Replace RCTs</b> Dr. Sarah Tabbutt		<b>Nosocomial Infections in the ICU: Impact of the Single Room Environment</b> Dr. Deborah Macbeth		
		<b>What Should you Believe and What do you Need to Know?</b> Prof. John Ioannidis		<b>Who Should do Anti-microbial Stewardship in the ICU? A Debate</b> Prof. Jeff Lipman and Dr. Andrew Jones		
		<b>Q&amp;A</b>				
17.30 - 19.00	Welcome Reception					

## THURSDAY 12 OCTOBER 2017

07.30 - 08.30	Breakfast Session 1	Breakfast Session 2	Breakfast Session 3		
08.30 - 10.00	Plenary Session 2				
08.30 - 09.00	<b>Disaster Response to the London Bombings</b> Dr. Gareth Davies				
09.00 - 09.20	<b>Implementation of Evidence-Based Integrative Therapies in Critical Care</b> Dr. Elizabeth Papathanassoglou				
09.20 - 09.40	<b>Updates in Sepsis Management: Current Issues and Controversies</b> Prof. Ruth Kleinpell				
09.40 - 10.00	<b>CPR Doesn't Finish Until You're Plumbed In: eCPR</b> Dr. Sarah Tabbutt				
10.00 - 10.30	Morning Tea, Industry Exhibition, Poster Viewing and Interactive Zone				
10.30 - 12.00	Concurrent Session 6	Concurrent Session 7	Concurrent Session 8	Concurrent Session 9	Concurrent Session 10
	Free Papers	Caught in a Rip? Our Work and Workforce	Global Rising Stars	Free Papers	What the Experts Think
		<b>Health Service CEO's Perspective on ICU Workforce Issues</b> Dr. Peter Bristow  <b>Clinical Director's Perspectives on ICU Workforce Issues</b> Dr. Vineet Nayyar  <b>College Perspective on ICU Workforce Issues</b> Prof. Bala Venkatesh  <b>Workforce Burnout Survey</b> Dr. Shona Mair  <b>ANZICS Suggestions and Recommendations</b> Dr. Mark Nicholls			<b>Transplant Haematology for the Intensivist</b> Dr. Cameron Curley  <b>How I manage Cerebral Vasospasm</b> Dr. Celia Bradford  <b>How I manage Right Ventricular Failure</b> Prof. Alain Coombs  <b>Abdominal Compartment Syndrome</b> Dr. Robert Wise  <b>Can we Help Patients to Sleep in the ICU?</b> Prof. Leanne Aitken  <b>Telehealth for ICU</b> Prof. Ruth Kleinpell  <b>Patients' Rights In Critical Care: What is the Evidence?</b> Dr. Elizabeth Papathanassoglou  <b>Metabolic Monitoring in the Critically Ill</b> Emma Ridley
12.00 - 13.30	Lunch, Industry Exhibition, Poster Viewing and Interactive Zone <b>Lunch Symposium Teleflex</b>				

## THURSDAY 12 OCTOBER 2017 (CONTINUED)

13.30 - 15.30	Concurrent Session 11	Concurrent Session 12	Concurrent Session 13	Concurrent Session 14	Concurrent Session 15
	<b>Best Paediatric Medical Papers</b>	<b>Disaster Relief – Who are you Going to Call?</b>	<b>Thinking About Controversies</b>	<b>Free Papers</b>	<b>Preparing for the Future of Critical Care Nursing</b>
		Chair: Air Commodore Jenny Lumsden <b>Army Capability in Disaster Management</b> Major Patrick Bates <b>Navy Capability in Disaster Management</b> CMDR Anthony Holley <b>Airforce Capability in Disaster Management</b> SQNLDR Cameron Brockel <b>Pro-Con Debate: Should the Military be Deployed in Disaster Relief?</b> Con: Dr. Nikki Blackwell Pro: Commodore Elizabeth Rushbrook RANR <b>How Does the Government Respond to a Disaster?</b> Admiral Jenny Firman <b>Q&amp;A</b>	<b>Has Medutainment Replaced Education?</b> Prof. Bala Venkatesh vs. Dr. Chris Nickson <b>Is our Evidence Base Fatally Flawed?</b> Dr. Paul Young vs. Prof. John Ioannidis <b>Open or Closed Lung</b> Prof. David Tuxen vs. Prof. Danny McAuley <b>Team-based Care in the ICU Needs to be Reconfigured</b> Prof. Leanne Aitken vs. Prof. Ruth Kleinpell		<b>Workforce in Australian ICUs: Current Standards</b> Prof. Paul Fulbrook <b>Best Practice in ICU: Can Current Workforce Profiles Accommodate Implementation?</b> Dr. Frances Lin <b>Advanced Practice in Australian ICUs</b> A/Prof. Tom Buckley <b>Strategies to Support Critical Care Nurses' Psychological Health</b> Petra Strube <b>Building an Educated Critical Care Workforce</b> Dr. Fenella Gill
